

Access sharing — quick guide

Please share access to the platforms below using the email address provided. Read-only access is fine if that's easier.

Google Ads

ads.google.com → Admin → Access and security → + Add user

Google Analytics 4

analytics.google.com → Admin → Account Access Management → + Add users

Google Merchant Center

merchants.google.com → Settings → Account access → Add user (if running Shopping / PMax product ads)

Google Tag Manager

tagmanager.google.com → Admin → User Management → + Add user (if you use GTM for tracking)

Use this email address:

Primary	analytics.itforce4@gmail.com
If limit exceeded	analytics.itforce@gmail.com analytics.itforce3@gmail.com analytics.itforce2@gmail.com

Please let me know which email you used if you had to switch to a fallback.
